They are all here. So you requested a copy of the Success fee and development contracts; and these are here. You wanted all the transactions that were happening at GEM, and I've got all the accounts over here. You wanted to understand the.. what the reservation cost; I've got the invoice which is over here. And you wanted the timeline of the insurance policies, so I put the whole timeline together with the relevant email correspondence together with the official insurance ..

***Dr Therese Comodini Cachia :***
