1. PURPOSE

The services we provide are governed by a Quality Service Charter that serves to inform our customers of the level of service that they should expect to receive. This reflects our commitment, and that of the Malta Public Service, to the delivery of a Service of Excellence by embracing the 4 Pillars of the Quality Model upon which the Public Service is based:

- Voice:** We listen to the customers' voice and are open to their criticism regarding the service we offer and to their ideas as to how we can improve our service to them. We consider the ideas received from our customers, and strengthen the scheme of ideas forwarded by our employees;
- Design:** We develop policies and processes which reach the levels expected by our customers;
- Delivery:** We deliver a service which is timely, of a high standard, easily accessible, and which can reach the customer with ease;
- Accountability:** This is intrinsic to a service which guarantees honesty towards the customer. Accountability also means loyalty towards the customer making use of our services, which translates into and is manifested in these same basic principles we want to uphold.
