In this regard, it is noted that the reference to the said aperture in the public deed of sale in the records of Notary Luca Burlo, dated 6th December, 2024 (Doc. JG1) as well as its description as a window were made abusively and without any legal basis.

Thus, by the present, you are being put on notice and in bad faith for all intents and purposes of law, you are being held responsible for damages, and it is formally the intention of the interpellant to proceed judicially against you in order to remove the prejudice caused to its property in default of complying with that notified to you within the time given to you for this purpose.

So much so that you may know how to regulate yourself and to know how to avoid costs and judicial procedures.

With costs.
