

NHTS 2021

National Household Travel Survey

About the NHTS

- The National Statistics Office shall be collecting data on behalf of Transport Malta.
- Participation is mandatory according to the articles of the Malta Statistics Authority Act - Cap. 422.
- Any personal information collected shall be treated as confidential and used for statistical purposes only.
- Stratified random sampling was implemented. The sample extracted includes households across the 68 localities of Malta and Gozo.
- Statistical significance is required to conduct the required analysis at district and locality level.

Survey Structure

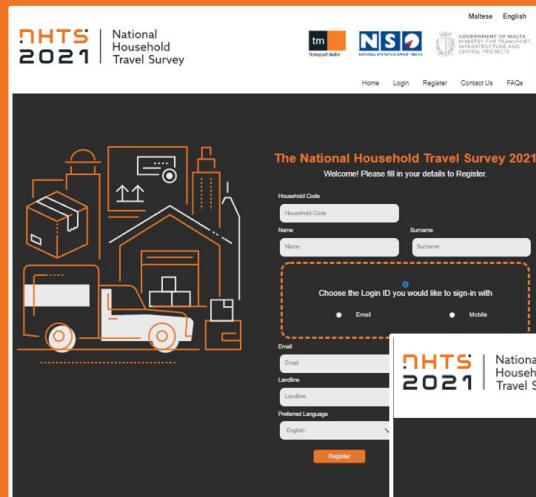

Survey consists of 2 parts:

- **Part 1:** Contains general questions including those regarding the members of the selected household and vehicles that the household has access to. This part of the survey is to be completed **before Travel Day** (17th November 2021).
- **Part 2:** Asks every member of the household above the age of 14 to record the travel movements on **Travel Day** being **17 November**.

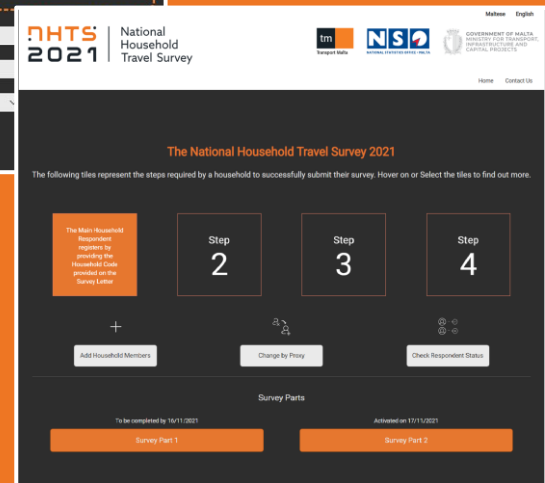

Ways to participate

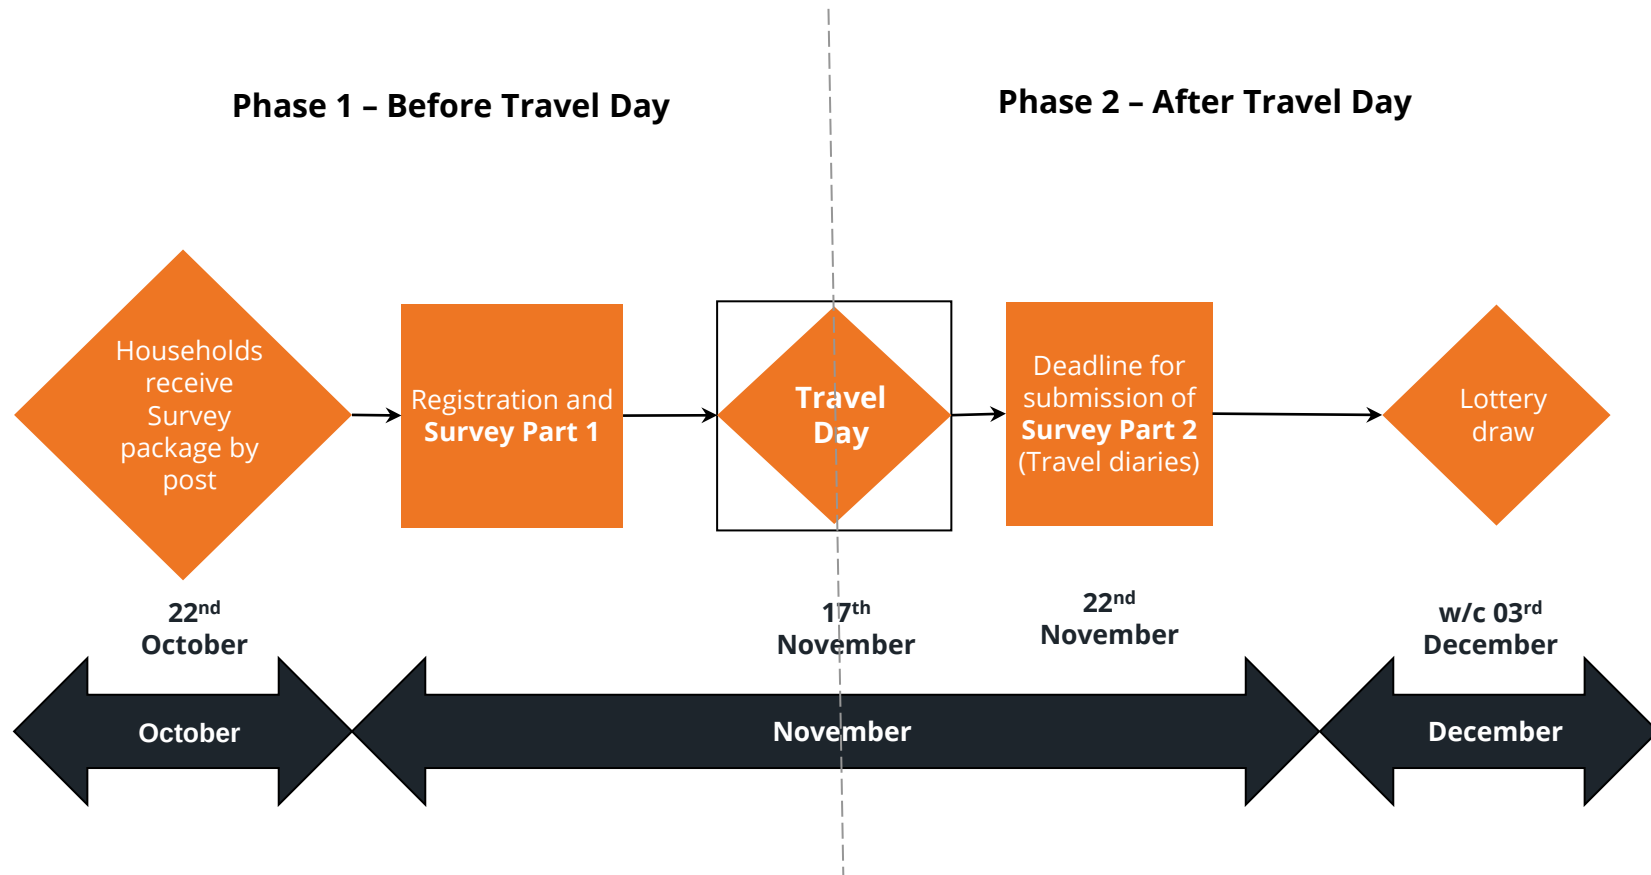

- **Web application:**
<https://webapp.nhts21.gov.mt>
- **Freephone 8007 4474** for household members who do not have access to the internet or are not in a position to complete the NHTS questionnaire online

The screenshot shows the registration page of the National Household Travel Survey 2021. The header includes the NHTS 2021 logo, the text 'National Household Travel Survey', and navigation links for Home, Login, Register, Contact Us, and FAQs. A language selector for Maltese and English is in the top right. The main content area features a large illustration of a house with a truck and boxes on the left. On the right, there's a registration form with fields for Household Code, Name, Surname, Email, and Mobile. A 'Register' button is at the bottom. The text 'The National Household Travel Survey 2021' and 'Welcome! Please fill in your details to Register.' are displayed.

The screenshot shows the survey steps page of the National Household Travel Survey 2021. The header is identical to the registration page. The main content area displays the title 'The National Household Travel Survey 2021' and a message: 'The following tiles represent the steps required by a household to successfully submit their survey. Hover on or Select the tiles to find out more.' Below this, there are four tiles labeled 'Step 1', 'Step 2', 'Step 3', and 'Step 4'. Step 1 is highlighted with an orange background and contains the text: 'The Main Household Respondent requires to providing the Household Code provided on the Survey Letter'. Below the tiles are three buttons: 'Add Household Members', 'Change by Proxy', and 'Check Respondent Status'. At the bottom, there's a section titled 'Survey Parts' with two buttons: 'Survey Part 1' and 'Survey Part 2'. The text 'To be completed by 16/11/2021' and 'Activated on 17/11/2021' is also present.

Selected households will receive the NHTS 2021 welcome package by post including:

- The NHTS 2021 invitation letter
- The household's assigned unique household code
- The NHTS 2021 brochure

Steps to follow:

1. Completing registration
2. Logging in and adding the details of the other household members to participate
3. Completing Part 1 of the Survey (Household and Vehicle information) and submitting
4. Completing Part 2 of the Survey (Trip Diary) and submitting
5. Benefitting from participation (prizes with total value over €20,000)

Survey Part 1

The first part of the survey is to be submitted by the Main Household Respondent and is structured as follows:

1. **General information**, containing general questions regarding the composition of the household.
2. **Vehicle information**, containing questions regarding the vehicles accessible to the household.
3. **Personal information**, containing questions regarding age, gender, labour status and possession of vehicle licenses. This part is to be filled in for every household member separately.

Survey Part 2

- Part 2 of the survey includes a **Trip Diary** which is to be completed by each member of the household over the age of 14.
- The Trip Diary gathers information on all travel movements on **Travel Day** which is set to take place on **Wednesday 17th November**.
- A **web map interface** is integrated in this part on the web application, to increase the ease of completing the Travel Diary for the respondents and to give a very clear picture of the travel patterns of the population in Malta.
